Private Yacht Journeys Across Indonesia

Boatique Charters
For Luxury Travel Designers & Concierges

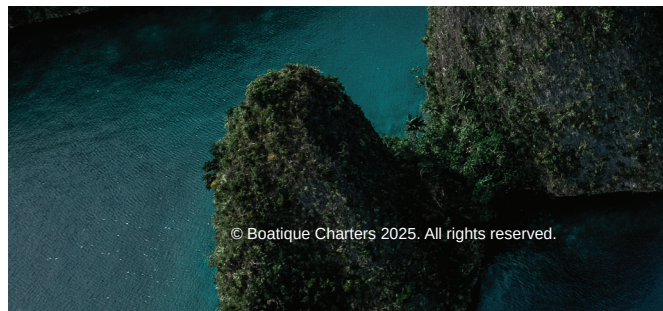

Over 17,000 islands scattered across three time zones and some of the most remote waters on Earth

For most travelers, it's overwhelming. For your clients, it should be effortless.

As both yacht owners and Indonesia's leading charter agency, we operate a carefully curated network of more than thirty private vessels. From intimate two-cabin phinisis to full-scale luxury yachts, every vessel is personally vetted and professionally managed.

This means one enquiry connects you to the largest portfolio of quality yachts in the country, with the reassurance that each charter meets the same standards of service, safety, and discretion.

Our team coordinates directly with the captains, crews, and local partners on your behalf, managing all logistics from permits to provisioning. You work with one trusted contact, we handle everything else.

Boatique Charters represents a growing network of 30 + luxury yachts across Indonesia's premier cruising regions, including Komodo, Raja Ampat, Banda Sea, and beyond.
